

FURNITURE LINOLEUM BOARDS

The *Furniture Linoleum Boards* are a unique product due to the fact that the surface is produced from 100% natural materials and pigments while also being 100% recyclable. The surface leaves no fingerprints and has a nice smooth silk touch effect that makes it ideal for table tops and desks. Production of various thicknesses of MDF or Multiplex boards laminated with furniture linoleum using *HOT MELT PUR* glue. Production of ready-made furniture components according to provisional dimensions in different options as:

- MDF with furniture linoleum, edgebanded with Multiplex edging
- MDF edgebanded with Multiplex edging, laminated with furniture linoleum
- Multiplex with furniture linoleum
- other options upon customer request
